## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 8-14 are allowed over the prior art of record.

### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance: The primary reason for allowance of the claims is that the prior art neither teaches nor fairly suggest a roller pair for a roller testing stand as presented in independent claims 8 and 14. Major emphasis is being placed upon the provisions of "*the first roller being movably arranged so that an axis of the first roller is displaceable along a path defined by a circle arc having a center that substantially coincides with an axis of a driving gear or wheel (claims 8 and 14)*", in combination with other limitations of said claims and their dependent ones.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
